

Políticas de Privacidad

Privacy Policy

Devsisters develops and provides mobile game services that entertain people around the world. This Privacy Policy (“Policy”) describes how and when Devsisters (“We”, “Us”, or “Our”) collects, manages, uses, and shares your information when you (“You”, “Players” or “Users”) use our services. This Privacy Policy applies to Devsisters' games, websites and related services, which we here collectively call the Service.

The scope of this Policy is limited to the information collected or received by Devsisters through your use of the Service. Devsisters is not responsible for the actions of third parties – people or companies – their use of information you provide to them, or any products or services they may offer. By using the Service, you are expressing your agreement to this Policy and the processing of your data in the manner provided in this Policy. If you do not agree to these terms, please do not use the Service.

Third-party Privacy Policy

Except as otherwise discussed in this Privacy Policy, this Privacy Policy only addresses the use and disclosure of information we collect from you. Other sites accessible through our site have their own privacy policies and data collection, use and disclosure practices. Please consult each site’s privacy policy. We are not responsible for the policies or practices of third parties.

Some parts of our Services are provided by a third-party Service Providers, who may collect and record information about your use of our Services. Additionally, other companies that place advertisements on our Websites, Games and/or Applications may collect information about you when you view or click on their advertising through the use of cookies. We cannot control the activities of such third parties and cannot guarantee that they will adhere to the privacy and security practices same or similar to ours. You should contact them directly if you have any questions about their use of the information that they collect.

Information Collection and Usage

Game Play Data

Whenever you play our games, we collect data about all of your interactions with the game and with other players. The Information we collect may include Player ID, your progress in the game, IP address, device ID and/or other information that, we believe, is necessary to improve user/your experience and maintain the quality of our Service.
